LOCATION WISE

Means living in Panvel, the hub of infrastructure growth and development.

In recent times there has been a strong focus on Panvel as the new centre of development with tremendous Government impetus, initiatives and investment.

Besides high infrastructure growth, the superior air quality and microclimate, dedicated open spaces, abundance of nature and excellent connectivity make Panvel truly the destination of the future.

Advantage Panvel

- **Upcoming Navi Mumbai International Airport (NMIA):** A game changer that makes Panvel the destination of the future, the airport is being developed on a public-private partnership basis between Government agency CIDCO and GVK-Mumbai International Airport Limited (MIAL).
- **Upcoming Mumbai Trans Harbour Link:** Envisioned as the longest sea bridge in India and the second longest sea link in the world, providing connectivity to NMIA from Sewri in South Mumbai to Nhava Sheva. The Mumbai Trans Harbour Link (MTHL) is an under-construction 21.8 km freeway grade Road Bridge connecting the Indian city of Mumbai to Navi Mumbai.
- **Upcoming Virar-Alibaug Multimodal Corridor:** This 126-km-long corridor enables connectivity to NMIA and other important nodes of Navi Mumbai.
- **Panvel-Karjat Suburban Rail Line:** The existing Mohape railway station is just 1.5 kms away, with 2 suburban lines under construction.
- **Navi Mumbai Airport Influence Notified Area (NAINA):** Panvel is part of this demarcated area of a 25-km radius of the airport. NAINA is envisioned as a prominent financial centre and potentially 'The Biggest Smart City in India' with growth centres as hubs of development.
- **CST-Panvel Fast Track:** To ensure quick access to and from Mumbai
- **MIDC, PORT & SEZs:** Proximity to Industrial and Special Economic Zones
- **Strategic location on the Old Mumbai-Pune Highway:** Ensures fast connectivity to the next megacity, Pune
- **Upcoming Metro Rail Line in Navi Mumbai:** For enabling more convenient access

DESIGN WISE

Means enjoying the benefits of design and planning excellence for healthier, happier and wholesome living. At Wadhwa Wise City, our strong design principles are evident across the township and also in every individual tower and apartment, in multiple ways.

Planning Highlights of the Township

- Wadhwa Wise City has been conceived on the foundations of 'Happiness and Wellness'.
- Principles of Urban Planning are well integrated to create a cohesive fabric of streets, green spaces, social amenities like schools, primary healthcare and a lot more.
- The natural setting of mountains and hill slopes are conserved and give a natural edge to the proposed settlement.
- Hierarchy of roads and well-defined pathways ensure safe and easy commuting within the township.
- Town level parks and playgrounds and neighbourhood level green open spaces emphasise the health of children and adult citizens.

Design Features in Towers and Apartments

VENTiLiT™ The Wadhwa Group's proprietary design philosophy maximises air, height and light in your home. Even common spaces are designed following the sun's path and the wind's direction, keeping you vibrant with natural energy, fresh air and sunlight always.

Zero Space Wastage: A well-planned apartment layout to ensure maximum useable area
